

Standard Institute Resume Template Guide

Recommended Standard Format for On-Campus Placement & Internship Drives

Resume Structure & Guidelines

- **Header:** Full Name, Institute Roll Number, Official Institute Email (@iiitl.ac.in), Phone Number, GitHub/LinkedIn/Portfolio links.
- **Education:** Degree, Institute/College, CGPA/Percentage, and Year of Passing listed in reverse chronological order.
- **Technical Skills:** Categorized by Languages (C++, Python, TypeScript), Frameworks/Tools (React, FastAPI, Docker), and Databases (PostgreSQL, Redis).
- **Experience / Internships:** Company Name, Role, Duration, and bullet points highlighting impact, technologies used, and metrics.
- **Key Projects:** Title, Tech Stack, Live link, and concise bullets describing architecture, problems solved, and outcomes.
- **Achievements & Leadership:** Competitive programming rankings, hackathon awards, club responsibilities, and paper publications.

Standard Format Checklist

1. Ensure resume is strictly 1 single page for undergraduate students.
2. Save file strictly in PDF format with naming convention: RollNumber_FirstName_Resume.pdf.
3. Avoid graphic icons, multi-column tables, or complex formatting that fails ATS scanners.
